RULES AND REGULATIONS

(Rules subject to change without prior notice)

All rules and regulations published in this book are made a part of the conditions under which all entries are accepted, or exhibit space or concessions licenses are granted.

The Otsego County Fair Association, Inc. management reserves the final and absolute right to interpret these rules and regulations and arbitrarily settle and determine all matters, questions and differences in regard thereto, or otherwise arising out of, connection with, or incidental to the Fair.

The management reserves the right to amend or add to these rules and regulations as in its judgement may be deemed advisable.

Any person who violates any of the following general rules and regulations or any special rule or rules shall forfeit all privileges and premiums and be subject to such penalty as the management may order.

Make entries to: **Otsego County Fair Association, Entry Clerk; PO Box 469, Morris, NY 13808. Phone (607) 263-5289.**

Rule 1. Time for Making Entries. Entries may be made by mail or personally at any time after this list is received. Exhibitors are required to make themselves acquainted with the premium book and regulations so as to make certain in which sections and departments their entries belong as well as period of exhibit. Exhibitors must use separate blanks for entries in each department. Additional blanks will be furnished upon application.

Rule 2. Place for Making Entries. Entries may be made by mail or in person at the Office of the Entry Clerk, Fairgrounds, Morris, NY. The tags for the various exhibits will be mailed, providing the correct amount of entry fee is enclosed. Checks should be made payable to the Otsego County Fair Association, Inc. If entries are received too late for tags to reach exhibitors in time for the Fair, tags will be held at the Secretary's Office on the grounds, where they may be called for. If you wish to have your tags mailed to you, time permitting, please enclose a self-addressed stamped envelope.

Rule 3. Closing of Entries. Entries cannot be made after the closing date specified in each department except in the case of an emergency, if otherwise specified, and only then on a certificate of the Superintendent of the

Department, whose judgement shall be final.

Rule 4. All exhibits must be entered in the name of the bona fide owner, such ownership to have existed at least 30 days previous to the time of the showing, unless exhibited by the original producer or fabricator of the article exhibited and proof of ownership must be presented by the exhibitor on request of the Fair Association.

No judges shall be permitted to enter exhibits in competition for premiums in the Department with which they are connected.

Rule 5. Examination of Entry Cards. Exhibitors are requested to examine their entry cards at the time of making entries so that if any mistakes have been made, they can be corrected. No person can make any change or withdraw any article entered for competition or exhibition after having once entered it. THIS RULE WILL BE RIGIDLY ENFORCED IN ALL DEPARTMENTS. THERE WILL BE NO REFUND OF ENTRY FEES.

Rule 6. Display of Entry Tags and Ribbons. An entry tag must be attached to each exhibit. This tag will be furnished by the Fair Office when entries are made. All entry tags and ribbons must be displayed during the exhibition. No consideration will be given by judges to any article to which the entry tag is not attached. The judges will not award a premium to any animal or article which has not been properly entered.

Rule 7. Entries Limited to Capacity. All entries of livestock will be limited to the capacity of our present buildings, and will be recorded in the order received. The management reserves the right to reject all entries after the capacity has been reached. No animals or article will be entitled to a place on the grounds until a proper entry thereof shall have been made, except in case of an emergency and then only at the discretion of the Superintendent of the particular Department concerned.

Rule 8. Competition Defined. Competition is defined as a contest for supremacy between two or more products, or articles or animals owned by separate exhibitors. Exhibitors having no competition in a class or section will be awarded but one premium (the first or second premium, as judges think deserved) unless otherwise noted under Special Department Rules and all premiums shall be awarded subject to the action of the Board of Directors.

Rule 9. Computation of Ages of All Animals. The ages of all animals must be given, and satisfactorily verified, if required. Ages of all animals shall be computed from January 1st, to determine in what classes the animals shall be entered. (Except otherwise noted.)

Rule 10. Display of Exhibits and Animals. Exhibitors must show their exhibits whenever and in such a manner as required by the executive officers in charge of the department. All animals will be shown in the ring and exhibitors must be ready to bring them out when called, either for judgement or parade. Failure to do so entails forfeiture of all prizes.

Rule 11. Placing of Exhibits. All exhibits must be in place at the proper time, on the opening day of the Fair, except as otherwise noted.

Rule 12. Removal of Exhibits. No exhibit may be removed from the grounds until after 8:00 P.M. Sunday, except livestock: Animals sold at Livestock Auction can leave immediately after sale; cattle 6:30 pm; sheep & swine 7:30 pm; goats 8 pm; horses 8:30 pm. This rule will be rigidly enforced, and it is the purpose of the management to have all exhibits on the closing day equally attractive in every department as at any time during the week.

Rule 13. Exhibitors Responsible for Entries. The Fair Management will not be responsible for the omission of any article or animal not entered strictly in accordance with its rules.

Rule 14. Stalls and Forage for Animals. Stalls or pens for livestock will be ready for exhibition stock one day prior to show opening, until the close of the Fair. No feed or bedding of any description will be furnished to livestock or poultry during the exhibition. There will be a fee of \$2.00 per stall or \$3.00 per pen **where noted**.

Rule 15. Tickets. Admission to grounds by Ticket Only.

Rule 16 Entry Fees. All exhibitors will be charged an entry fee equal to ten percent of the first premium on each article competed for except in the 4-H and Educational Departments, unless otherwise specified in the Special Department rules.

Rule 17. Liability. Every possible protection and courtesy will be extended to exhibitors at the Otsego County Fair, but the Management shall not be responsible for any lost exhibits, animals or equipment in case of fire, cyclone, theft or loss from other causes; and the Association will not assume any liability for personal injury sustained by

exhibitors, helpers, visitors or guests. The Management will use diligence to ensure the safety of articles entered for exhibition after their arrival and placement but under no circumstances will it be responsible for any loss, injury or damage done to, or occasioned by, or arising from, any article on exhibition, and the exhibitor shall indemnify the Fair Management thereof, against all legal or other proceedings in regard thereto.

Rule 18. Payment of Premiums. Premium checks will be paid to the winners of the various awards as shown on the Judge's records. Exhibitors desiring their premium money paid to agent or employees must furnish same with written order of power of attorney to this effect. All premiums advertised and awarded will be paid in full without deduction in the guise of donations or otherwise. Exhibits taken from fair prior to published release time will forfeit premiums.

In paying premiums, no evidence of award shall be recognized except the Judges' book properly signed by the Judges and not from ribbons that may be attached to exhibits.

Should stormy weather or unavoidable occurrence interpose at any Fair to reduce the net receipts below the required premiums, the Management reserves the right to pay premiums on a pro rata basis after all expense is paid.

As the Management is required by law to make sure an early detailed report to the State Agriculture Department, all checks issued for premiums must be presented for payment within 60 days from date of issuance.

Rule 19. Protests. All protests must be in writing, must state plainly the complaint and must be delivered to the Secretary within six hours after the cause of protest, with a deposit of \$5.00.

Rule 20. Judges. As far as possible the single judge system will rule and great care will be taken to select those who are qualified.

Judges will receive their books from the Secretary and when the award is completed, the books properly signed by the Judges in every case, must be returned to him at once.

No person or persons will be allowed to interfere with the judges in the discharge of their duties. Persons wishing to explain in regard to their exhibits can do so through the Superintendent of the Department.

In case an animal or article has not been entered, the judge must not award a premium or have it entered after

entries close. No consideration should be given by the judge to any article to which the entry tag is not attached. When judges have reason to doubt the pedigree of any animal or bird, or the presentation made on any article, they must report at once to the Superintendent of that Department, who will gather such evidence as he can at the Secretary's office or by other methods.

Where exhibits have been erroneously entered, the judges may have the same corrected by an Entry Clerk, in the Secretary's Office before they judge the class, but not after. **No additions to or changes in the Judge's Record shall be made by any person except an Entry Clerk in the Secretary's Office.**

The decision of the judges shall be final in all classes, except where mistakes, frauds or misrepresentations are shown. In all such cases the directors, or such referee as the directors may select, shall decide.

Rule 21. Permits and Privileges. The Management reserves the right of cancellation at any time for reason satisfactory to it, of all contracts made with concessionaires.

Each concessionaire must confine himself to the space assigned to him. Failure to do so will subject them to forfeiture of their privilege, without recourse.

Concessionaires must abide by the laws of State, County and Town. Anyone found violating these laws will be closed, forfeiting their concession money and ordered from the grounds. All drinking and eating concessions must furnish themselves with proper and sanitary equipment that will comply with rules and regulations of the Health Department. This rule will be strictly enforced.

All concessions shall keep posted in plain view, at the front or entrance to, also conspicuously displayed inside place of business, a sign showing concession number and the price to be charged for meals, lunches or other articles of food offered for sale or services performed.

Concessionaires and commercial exhibitors shall be issued tickets on individual bases.

The Management authorizes the letting of only privileges or concessions as are required to supply the necessary want of the people or that may add to their comfort, convenience or pleasure, but under no circumstances will a privilege of a questionable nature or of a demoralizing tendency be let in any manner tolerated upon the grounds, or in buildings, nor will any privilege be permitted where the business is conducted on other than legitimate and trade-like manner.

The Fair Management will use every precaution to guard against extortion in any form practiced upon patrons of the Fair. A violation of this rule by the concessionaire will cause forfeiture of contract, money paid, or expulsion from the grounds as the Management may direct.

Rule 22., Advertising Restrictions. Under no circumstances will any person or firm be allowed to place any advertising matter upon buildings, trees, or other place on the grounds, nor will they be permitted to distribute advertising matter outside the place assigned to them

Rule 23. Sale of Goods by Exhibitors. Exhibitors will not be allowed to sell goods without permission (though they may receive book orders) nor will they be allowed to call attention to their wares in a noisy or disorderly manner.

Rule 24. Soliciting Prohibited. The circulation of subscriptions lists or soliciting in any manner, for whatsoever purpose, will not be permitted in any building, or on the Fairgrounds other than in regularly authorized concessions, and in these excepted instances only upon the written authorization of the officer in charge.

Rule 25. Radios, etc. All sound-producing must be of such nature as to not cause annoyance or inconvenience to visitors or other exhibitors. Permission for use of same must be first obtained from the Secretary.

Rule 26. Exhibitors Erecting Separate Buildings. Exhibitors wishing to erect separate buildings or additional work buildings or elsewhere should make their requests to the Secretary. In all cases the exhibitors must bear the expense. Any structure erected and not removed within ten (10) days after the close of the Fair, shall become the property of the Otsego County Fair Association.

Rule 27. Electric Lights and Power. Charges for electricity and wiring shall be made to exhibitors and concessionaires in keeping with schedule on file in the office of the Secretary of the Fair which will be furnished upon request. Only electric and gas stoves will be allowed in buildings.

Rule 28. Delivery trucks. No supply truck or wagon will be admitted to the grounds any day of the Fair after 10:00 A.M. except in the case of serious emergency.

The Fair Management reserves the right to exclude any and all delivery vehicles, if in their judgement their methods are detrimental to the best interest of the Fair.

Rule 29. Parking. Automobiles and all other vehicles must be parked in spaces designated by the Management

and not elsewhere. The Management shall not be liable under any circumstances whether of negligence of itself, its agents, or otherwise for any injury to his or her person for any loss or injury to his or her property.

Rule 30. Undesirables. Beggars, touts or any person found practicing objectionable professions will be immediately escorted from the Fairgrounds.

Rule 31. Invitation of Officers of Other Agricultural Societies. Officers of other Agricultural Societies are invited to attend the Otsego County Fair and are respectfully requested to present themselves at the Secretary's Office.

Rule 2. The Otsego County Fair will be held at Morris, New York as stated on front cover, both dates inclusive unless postponed or cancelled as a result of War, Acts of

God, Government regulations or any other reason.

Rule 33. Eastern Daylight Savings Time will be observed.

Rule 34. Failure to abide by any Fair Rules or failure to cooperate with any superintendent or official, will result in forfeiture of premiums and exclusion from next year's show.

Rule 35. To ensure the safety of our exhibitors we are asking that traffic through the exhibitor's gate and around the barns and show ring be limited. We are asking that participants limit their vehicular use for delivering feed, etc. to early morning before show times. The exhibitor gate will be closed at 10 pm.
